TAMBOUR CABINETS

Space Saving - Retractable doors save costly floor space and allow easy access preventing aisle obstruction.

Flexible - All internal components are adjustable and easily configured to changing requirements.

Secure - The central locking system allows confidentiality to be maintained.

Mobile - Tambours (2,3 & 4 tier) can be fitted with castors to allow easy movement while fully loaded.

Life time guarantee.

EUROTILT

Narrow depth allows the Eurotilt to stack neatly into corridors or high traffic areas. Longer than normal width allows for higher volumes of filing.

- Drawers easily open.
- All files visible at a glance.
- 3 sizes available - 2, 3 & 4 drawer.
- Large colour range available, (swatches below).
